

## **Fixing MTS Slovakia**

From Monday, February 19, 2018, the MTS Slovakia Daily Fixing of Slovak Government Bonds is managed by MTS Slovakia.

Daily Fixing MTS Slovakia is publicly available at:

<https://www.mtsdata.com/content/data/public/slk/fixing/index.php>, including the option of downloading .csv file data.

Due to this fact, ARDAL will stop to process and publish the Indicative yield curve of Slovak Government Bonds as at 1.3.2018. The last data will be released on 28.2.2018. Information about the ending of the publication of the indicative curve will be published in the Bloomberg and Thomson Reuters information systems.

Please inform the relevant users of the Indicative Yield Curve of Slovak Government Bonds.
